

Cybersecurity For Small Business

What you don't know can hurt you.

Over 40% of cyber attacks target small business...
and within 6 months of the attack,
60% of them go out of business.

Join us to learn the basics about cyber threats and cyber security

What: Cybersecurity for Small Business Workshop

When: Tuesday, October 15, 2019
6 p.m. to 8 p.m.

Where: Community Development Resources
