Prospective Borrower:

Thank You for considering a Small Business Administration 504 Loan through Community Development Resources. Our application forms have been designed to help us expedite your financing request. When you fully complete the application and provide us with the requested documents, we can maximize the use of our customized software and reduce your paperwork throughout the remainder of the process.

- Complete the 504 Loan Application based on the business that will generate the funds to repay the loan. We call this the **Operating Company**. The SBA allows another company to own the real estate and lease it back to the Operating Company with a few specific requirements. This is referred to as the **Real Estate Holding Company**.
- **Complete Sections 1-3 of Form 1244.**
- Complete the **Personal History Statement** (Form 912) and **Personal Financial Statement** for each owner of 20% or more of the Operating Company and/or the Real Estate Holding Company. All owners of 20% or more will also be required to guarantee the SBA 504 loan.
- Using the enclosed **Checklist**, assemble and submit the items appropriate for your business and project. Much of the information can be supplied by your banker.
- Documents stating your current business financial information should all be based on the same date. Your **Aging of Accounts Payable & Accounts Receivable** and **Business Debt Schedule** should relate to information reflected on the **Interim Financial Statements**.

When looking at the list of required items it may seem a bit overwhelming, however, many of the items you will have already supplied to your banker, who can then copy and forward them to us.

If you have questions regarding the SBA 504 program or the application process, please give us a call. When the application package is completed, contact us and we will set a meeting date with you or you can mail it to the address below.

We believe you will find the SBA 504 Loan Program to be a powerful tool to help your business grow and we look forward to working with you.

504 Loan Program

1. INTEREST RATE ON DEBENTURE AND NOTE

The interest rate on the Debenture and on the Note between you and Community Development Resources CDC (CDC) will not be set until the time of the Debenture sale. CDC will issue a Debenture not to exceed 40% of the SBA eligible project costs. This Debenture will be sold to investors after satisfaction of all conditions required by the CDC and United States Small Business Administration ("SBA"). Market conditions at the time of sale will determine the fixed interest rate for the Debenture and Note between you and CDC.

2. MONTHLY PAYMENT

The monthly payment on the Note includes principal and interest, plus the CDC servicing fee, the SBA guaranty fee and the Central Servicing Agent ("CSA") servicing fee (see paragraph 4 below).

3. THE FOLLOWING FEES ARE PAID THROUGH THE SBA LOAN PROCEEDS:

SBA GUARANTEE FEE:

A reserve deposit as a % of the Net Debenture Proceeds may be deducted by the CSA, and deposited into a reserve account. The reserve deposit is non-refundable and no interest accrues to borrower. Currently the reserve deposit is ZERO.

FUNDING FEE:

The funding fee covers certain costs associated with marketing and selling 504 Debentures. The funding fee is 1/4 of 1% of the Net Debenture Proceeds.

CDC LOAN PROCESSING FEES:

- a. Loan Processing Fee: CDC will charge a one-time processing fee equal to 1.5% of the net proceeds of the Debenture.
- b. Closing Fees of up to \$2,500 for legal fees which are further addressed in Paragraph 7 of this document.

UNDERWRITING FEE:

The Underwriters provide financial advisory services in connection with the 504 Debentures, and build and maintain a secondary market. The Underwriters' fee is up to 2/5 of 1% of the face amount of the Debenture.

DISCLOSURE STATEMENT REGARDING 504 LOAN CHARGES AND PROCEDURES

4. CENTRAL SERVICING AGENT, CDC SBA FEES

The SBA has appointed a Central Servicing Agent ("CSA") to collect monthly payments from borrowers and transfer them to investors. For this service, CSA receives an annual servicing fee of 1/10 of 1% per annum on the balance of the loan. Please note that you are required to authorize the CSA to make automatic withdrawals of the monthly loan payments from your checking account. CDC will provide reporting and portfolio management services for the term of the Note. For these services, CDC will receive a servicing fee equal to 5/8 of 1% per annum on the balance of the loan. During the term of the Note, SBA will receive an ongoing guaranty fee equal to .389 % per annum on the balance of the loan; this fee is subject to change. These three fees are recalculated at each 5 year anniversary of the Note funding date.

5. TITLE POLICY/FINANCING STATEMENT REPORT

You are solely responsible for all costs associated with the Policy of Title Insurance that insures CDC's and SBA's lien on the subject property. Such insurance is separate from title insurance for third party lenders. If personal property is taken as security, you are responsible for all costs for perfecting CDC's and SBA's security interest in the property, plus all UCC-1 Financing Statement and related reports. In most cases, you will be invoiced for title charges directly by the title company. If you are not billed directly by the title company, you will be required to provide to CDC a check for all title charges.

6. WITHDRAWING LOAN APPLICATION AFTER SBA APPROVAL

In the event you withdraw your loan application after SBA issues the SBA Authorization and Debenture Guaranty,

("Debenture Authorization"), or if the Debenture Authorization is withdrawn, cancelled or terminated for any reason, you agree to pay CDC a sum equal to 2/3 of the total CDC Loan Processing Fee on the loan package, less any deposit paid to CDC. This amount shall be due on the date of withdrawal, cancellation and/or termination. It is understood that all Debenture Authorizations contain conditions which must be satisfied prior to funding of the Debenture.

7. LEGAL FEES AND CLOSING COSTS

Legal Counsel for CDC will charge a fee (legal fees), which may be less than but in no instance will exceed \$2,500. Other costs related to closing the loan may include but are not limited to fees charged for loan documentation, property tax service and UCC filings. Up to \$2,500 of the legal fees and closing costs may be paid through the debenture. If these legal fees and closing costs exceed \$2,500 dollars, the difference must be paid directly to CDC. You are solely responsible for paying any attorneys' fees or other closing costs in relation to the Debenture and loan, whether or not the Debenture is funded. The Debenture Authorization may reflect Legal Fees under the category of Closing Costs.

8. INDEMNIFICATION/ATTORNEYS' FEES

a. You will indemnify and hold CDC and its officers, directors, employees and agents harmless from any and all liability for any loss, damage, or injury (including, without limitation, attorney's fees incurred with attorneys of CDC's choice) arising out of or resulting from:

Your failure to receive the subject loan; and /or Any losses, damage, or liability to you, your business and/or your principals, related parties/entities, guarantors, agents, successors and others, except for any loss caused by the sole intentional misconduct or sole gross negligence of CDC.

b. You hereby, on behalf of yourself and your principals, related parties/entities, guarantors, agents, successors and/or insurers, waive all claims, losses and injuries against CDC, SBA and/or their agents, representatives and/or successors which are related or arise from the SBA 504 Loan and Debenture program. This waiver includes, but is not limited to general, special, indirect, incidental or consequential, exemplary, punitive and/or economic loss damages. Your obligations hereunder shall survive termination of and, if funded, the funding of the SBA 540 Loan.

c. In the event the CDC is required to institute proceedings to collect from Applicant(s) the processing fee to which CDC is entitled pursuant to this Disclosure, CDC shall be entitled to reasonable attorneys' fees and costs incurred in such proceedings.

9. NO REPRESENTATIONS

The funding of the 504 Debenture and disbursement of the proceeds to you is subject to United States Small Business Administration approval of your Application and is also subject to your satisfactory compliance with the terms set forth in the Debenture Authorization and all other applicable conditions. CDC and/or SBA may impose conditions not a part of the Authorization. By signing this Disclosure Statement you acknowledge that:

- i. CDC has made no representations to you;
- ii. CDC is not your agent or representative;
- iii. CDC has made no representations to you that a debenture Authorization will be issued in relation to your application;
- iv. Issuance of a Debenture Authorization is not a guarantee or commitment to make the loan and/or fund the Debenture by the SBA, CDC or any other party;
- v. Failure of any condition may result in your loan being delayed and/or not funded;
- vi. You understand SBA approval may be revoked until the actual funding of your loan;
- vii. There is no representation or guaranty of your loan funding on any specific date; and
- viii. An attorney certified by SBA and approved by CDC must issue a legal opinion regarding the loan.

10. FEDERAL REGULATIONS

The charges and procedures related to your 504 Loan are governed by Federal regulations. The applicable Federal regulations are subject to change, and therefore, the information contained herein may be changed without notice to you. Additional charges and requirements may be imposed by CDC or the SBA. EACH LOAN APPLICANT IS PERSONALLY RESPONSIBLE FOR UNDERSTANDING THE REQUIREMENTS, COSTS AND RESTRICTIONS APPLICABLE TO THE SBA 504 PROGRAM. In signing this Disclosure Statement, you acknowledge that you have read, understood, and agree to be bound by, each and every provision set forth herein. 6 Transcript requested. Enter the tax form number here (1040, 1065, 1120, etc.) and check the appropriate box below. Enter only one tax form number per request. _____

a Return Transcript, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Tax return transcripts for individuals are available for the Form 1040 series. A list of the tax return transcripts that are available for a business can be found at www.irs.gov/businesses/get-a-business-tax-transcript. Return transcripts are available for the current year and returns processed during the prior 3 processing years. Most requests will be processed within 10 business days ☐

b Account Transcript, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days ☐

c Record of Account, which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days ☐

7 Verification of Nonfiling, which is proof from the IRS that you **did not** file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days ☐

8 Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript. The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days ☐

Caution: If you need a copy of Form W-2 or Form 1099, you should first contact the payer. To get a copy of the Form W-2 or Form 1099 filed with your return, you must use Form 4506 and request a copy of your return, which includes all attachments.

9 Year or period requested. Enter the end date of the tax year or period requested in mm/dd/yyyy format. This may be a calendar year, fiscal year or quarter. Enter each quarter requested for quarterly returns. Example: Enter 12/31/2018 for a calendar year 2018 Form 1040 transcript.

Future Developments

For the latest information about Form 4506-T and its instructions, go to www.irs.gov/form4506t. Information about any recent developments affecting Form 4506-T (such as legislation enacted after we released it) will be posted on that page.

The filing location for the Form 4506-T has changed. **Please see Chart for individual transcripts or Chart for all other transcripts** for the correct mailing location.

What's New. As part of its ongoing efforts to protect taxpayer data, the Internal Revenue Service announced that in July 2019, it will stop all third-party mailings of requested transcripts. After this date masked Tax Transcripts will only be mailed to the taxpayer's address of record.

If a third-party is unable to accept a Tax Transcript mailed to the taxpayer, they may either contract with an existing IVES participant or become an IVES participant themselves. For additional information about the IVES program, go to www.irs.gov and search IVES.

General Instructions

Caution: Do not sign this form unless all applicable lines have been completed.

Purpose of form. Use Form 4506-T to request tax return information. Taxpayers using a tax year beginning in one calendar year and ending in the following year (fiscal tax year) must file Form 4506-T to request a return transcript.

Note: If you are unsure of which type of transcript you need, request the Record of Account, as it provides the most detailed information.

Customer File Number. The transcripts provided by the IRS have been modified to protect taxpayers' privacy. Transcripts only display partial personal information, such as the last four digits of the taxpayer's Social Security Number. Full financial and tax information, such as wages and taxable income, are shown on the transcript.

An optional Customer File Number field is available to use when requesting a transcript. This number will print on the transcript. See Line 5 instructions for specific requirements. The customer file number is an optional field and not required.

Tip. Use Form 4506, Request for Copy of Tax Return, to request copies of tax returns.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Get a Tax Transcript..." under "Tools" or call 1-800-908-9946.

Where to file. Mail or fax Form 4506-T to the address below for the state you lived in, or the state your business was in, when that return was filed. There are two address charts: one for individual transcripts (Form 1040 series and Form W-2) and one for all other transcripts.

If you are requesting more than one transcript or other product and the chart shows two different addresses, send your request to the address based on the address of your most recent return.

Line 1b. Enter your employer identification number (EIN) if your request relates to a business return. Otherwise, enter the first social security number (SSN) or your individual taxpayer identification number (ITIN) shown on the return. For example, if you are requesting Form 1040 that includes Schedule C (Form 1040), enter your SSN.

Line 3. Enter your current address. If you use a P.O. box, please include it on this line 3. If you are currently incarcerated, include your inmate identification number, name and address on this line 3.

Line 4. Enter the address shown on the last return filed if different from the address entered on line 3.

Note: If the addresses on lines 3 and 4 are different and you have not changed your address with the IRS, file Form 8822, Change of Address. For a business address, file Form 8822-B, Change of Address or Responsible Party — Business.

Line 5. Enter up to 10 numeric characters to create a unique customer file number that will appear on the transcript. The customer file number **should not** contain an SSN. Completion of this line is not required.

Note. If you use an SSN, name or combination of both, we will not input the information and the customer file number will reflect a generic entry of "999999999" on the transcript.

Line 6. Enter only one tax form number per request.

Signature and date. Form 4506-T must be signed and dated by the taxpayer listed on line 1a or 2a. The IRS must receive Form 4506-T within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines are completed before signing.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed and returned to you if the box is unchecked.

Individuals. Transcripts of jointly filed tax returns may be furnished to either spouse. Only one signature is required. Sign Form 4506-T exactly as your name appeared on the original return. If you changed your name, also sign your current name.

Corporations. Generally, Form 4506-T can be signed by: (1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-T but must provide documentation to support the requester's right to receive the information.

Partnerships. Generally, Form 4506-T can be signed by any person who was a member of the partnership during any part of the tax period requested on line 9.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

Note: If you are Heir at law, Next of kin, or Beneficiary you must be able to establish a material interest in the estate or trust.

Documentation. For entities other than individuals, you must attach the authorization document. For example, this could be the letter from the principal officer authorizing an employee of the corporation or the letters testamentary authorizing an individual to act for an estate.

Signature by a representative. A representative can sign Form 4506-T for a taxpayer only if the taxpayer has specifically delegated this authority to the representative on Form 2848, line 5. The representative must attach Form 2848 showing the delegation to Form 4506-T.

The estimated time for completing this application, including gathering data needed, is 31 minutes. Comments about this time or the information requested should be sent to: Small Business Administration, Director, Records Management Division, 409 3rd St., SW, Washington DC 20416, and/or SBA Desk Officer, Office of Management and Budget, New Executive Office Building, Washington DC 20503. **PLEASE DO NOT SEND FORMS TO THESE ADDRESSES.**

Federal Funding Accountability and Transparency Act of 2006, as amended (31 U.S.C. 6101 Note) - SBA routinely publishes information related to this loan application (e.g., name and address of borrower, amount of loan) on USAspending.gov, as required by the Federal Funding Accountability and Transparency Act of 2006, as amended.

Privacy Act (5 U.S.C. 552a); Collection of Social Security Number (31 U.S.C. 7701 et seq.) - Authorities and Purpose for Collecting Information: SBA is collecting the information on this form, including social security numbers and other personal information, to make a character and credit eligibility decision in connection with you or your company's application for SBA assistance. SBA may also use social security numbers for the purpose of collecting and reporting on any delinquent fees or other amounts owed SBA.

Under the provisions of 31 U.S.C. § 7701, the applicant business and any guarantor of the loan are required to provide their social security numbers, or other taxpayer identification numbers, in order to do business with SBA. Failure to provide this information would affect your ability to obtain a 504 loan. For other individuals signing this application, the submission of the social security number is voluntary and failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. However, in evaluating whether the applicant satisfies the criteria for a 504 loan under section 501 et seq. of the Small Business Investment Act, 15 U.S.C. § 695 et seq., SBA considers whether the applicant and each of its Associates possess good character. In making this determination, SBA considers the person's integrity, candor, and criminal history if any. SBA is authorized, through section 308(f) of the Small Business Investment Act, to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B) of the Small Business Act, 15 U.S.C. § 636(a)(1)(B). In addition, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the Small Business Investment Act, see 15 U.S.C. § 687b(a). In conducting the criminal background check, SBA also uses your social security number to distinguish you from other individuals with the same or similar name or other personal identifier. This use is permitted under Executive Order 9397.

Routine Uses: Some of the information collected may be checked against criminal history indices of the Federal Bureau of Investigation. When the information collected indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer it to the appropriate agency, whether Federal, State, local, or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. *See* SBA's Privacy Act System of Records, at 74 Fed. Reg. 14890 (2009) (as amended from time to time) for other published routine uses for the collected information.

SBA 504 Borrower Information Form

For use with all SBA 504 Loan Programs

OMB Control No.: 3245-0071

Expiration Date: 01/31/2028

Right to Financial Privacy Act of 1978 (12 U.S.C. § 3401 et seq.) - As required by the Right of Financial Privacy Act of 1978, SBA provides this notice of SBA's right to access financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guarantee. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government loan or loan guaranty agreement. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan or loan guaranty agreement. No further notice to you of SBA's access rights is required during the term of any such agreement.

The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan, or concerning an approved loan or loan guarantee, as necessary to process, service or foreclose on a loan or loan guarantee or to collect on a defaulted loan or loan guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Disclosure of Information - Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act. The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use is the disclosure of information maintained in SBA's system of records when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature. Specifically, SBA may refer the information to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for, or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use is disclosure to other Federal agencies conducting background checks but only to the extent the information is relevant to the requesting agencies' function. See, 74 F.R. 14890 (2009), and as amended from time to time for additional background and other routine uses.

Debt Collection Act of 1982 and Debt Collection Improvement Act of 1996 (5 U.S.C. § 5514 note and 31 U.S.C. § 3701 et seq.) - These laws require SBA to aggressively collect any loan or other payments which become delinquent. SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may take one or more of the following actions:

- Report the status of your loan(s) or other debt owed to SBA to credit bureaus
- Hire a collection agency to collect your loan or other delinquent debt
- Offset your income tax refund or other amounts due to you from the Federal Government
- Suspend or debar you or your company from doing business with the Federal Government
- Refer your loan or other delinquent debt to the Department of Justice or other attorneys for litigation
- Foreclose on collateral or take other action permitted in the loan instruments
- If you default on an SBA loan and fail to fully reimburse SBA for any resulting loss, refer you to the computer database of delinquent Federal debtors maintained by the Department of Housing and Urban Development, or other Federal agency, which may disqualify you from receiving financial assistance from other Federal agencies. In addition, unless SBA is reimbursed in full for the loss, you will not be eligible for additional SBA financial assistance.

Freedom of Information Act (5 U.S.C. 552) - This law provides, with some exceptions, that SBA must supply information reflected in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics) and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms and the maturity. Proprietary data on a borrower would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA office and be identified as a Freedom of Information request.

Flood Disaster Protection Act (42 U.S.C. 4011) - Under this Act, and its implementing regulations, SBA is prohibited from providing financial assistance in a designated floodplain unless Federal flood insurance is purchased as a condition of the loan. Failure to maintain the required level of flood insurance makes the Applicant ineligible for any future financial assistance from SBA under any program, including disaster assistance.

Executive Order 11990 – Floodplain Management and Wetland Protection (42 F.R. 26951 and 42 F.R. 26961) - SBA discourages settlement in or development of a floodplain or a wetland. This statement is to notify all applicants for SBA assistance that such actions are hazardous to both life and property and should be avoided. The additional cost of flood preventive construction must be considered in addition to the possible loss of all assets and investments due to a future flood.

Executive Order 11738 – Environmental Protection (38 F.R. 25161) - The Executive Order charges the SBA with administering its loan programs in a manner that will result in effective enforcement of the Clean Air Act, the Federal Water Pollution Act and other environmental protection legislation. SBA must, therefore, impose conditions on some loans. By acknowledging receipt of this form and presenting the application, the Associates of all small businesses borrowing \$100,000 or more in direct funds stipulate to the following:

- That any facility used, or to be used, by the subject firm is not cited on the EPA list of Violating Facilities.
- That subject firm will comply with all the requirements of Section 114 of the Clean Air Act (42 U.S.C. 7414) and Section 308 of the Water Act (33 U.S.C. § 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in Section 114 and Section 308 of the respective Acts, and all regulations and guidelines issued thereunder.
- That subject firm will notify SBA of the receipt of any communication from the Director of the Environmental Protection Agency indicating that a facility utilized, or to be utilized, by subject firm is under consideration to be listed on the EPA List of Violating Facilities.

Occupational Safety and Health Act (15 U.S.C. 651 et seq.) - The Occupational Safety and Health Administration (OSHA) can require businesses to modify facilities and procedures to protect employees. Businesses that do not comply may be fined and required to abate the hazards in their workplaces. They may also be ordered to cease operations posing an imminent danger of death or serious injury until employees can be protected. Lead-Based Paint Poisoning Prevention Act (42 U.S.C. § 4821 et seq.) - Borrowers using SBA funds for the construction or rehabilitation of a residential structure are prohibited from using lead-based paint (as defined in Federal regulations) on all interior surfaces, whether accessible or not, and exterior surfaces, such as stairs, decks, porches, railings, windows and doors, which are readily accessible to children under 7 years of age. A "residential structure" is any home, apartment, hotel, motel, orphanage, boarding school, dormitory, day care center, extended care facility, college or other school housing, hospital, group practice or community facility and all other residential or institutional structures where persons reside.

Civil Rights (13 C.F.R. 112, 113, 117) - All businesses receiving SBA financial assistance must agree not to discriminate in any business practice, including employment practices and services to the public, on the basis of categories cited in 13 C.F.R., Parts 112, 113, and 117 of SBA Regulations. This includes making their goods and services available to handicapped clients or customers. All business borrowers will be required to display the "Equal Employment Opportunity Poster" prescribed by SBA.

Equal Credit Opportunity Act (15 U.S.C. 1691 et seq.) - The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit Applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the Applicant has the capacity to enter into a binding contract); because all or part of the Applicant's income derives from any public assistance program, or because the Applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is the Federal Trade Commission, Equal Credit Opportunity, Washington, D.C. 20580.

Executive Order 12549 as amended by E.O. 12689, Debarment and Suspension (2 C.F.R. 180, adopted by reference in 2 C.F.R. The Build America, Buy America Act (BABAA) (41 U.S.C. §8301) - The Build America, Buy America Act (BABAA) requires that no federal financial assistance for "infrastructure" projects is provided "unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States." Section 70914 of Public Law No. 117-58, §§ 70901-52. All construction materials used in the construction are manufactured in the United States. Privacy Act (5 U.S.C. 552a) and Debt Collection Improvement Act (31 U.S.C. 7701)

Authorities and Purpose for Collecting Information: The Small Business Administration (SBA) requires this information collection for the administration of financial and contracting assistance programs. For financial assistance programs authorized by Sec. 7(a) of the Small Business Act, 15 U.S.C. § 636 et seq., and Title V of the Small Business Investment Act of 1958, 15 U.S.C. § 695, et seq., SBA regulations require any loan guarantor and individual owners of the small business applicant to submit a personal financial statement to disclose their assets and liabilities (See, 13 CFR § 120.150). With respect to SBA's contracting assistance programs, SBA regulations at 13 CFR §§ 124.104, 124.112, and 124.1002; and 13 CFR § 127.203 require, among other things, that applicants and participants submit financial information as part of the application for SBA's contracting assistance programs. SBA is collecting the information on this form, including social security numbers and other personal information, to make credit or other eligibility decisions in connection with you or your company's application for SBA assistance.

SBA may also use social security numbers for the purpose of collecting and reporting on any delinquent fees or other amounts owed SBA, where applicable. For purposes of SBA's financial assistance programs, 31 U.S.C. 7701 requires loan applicants and guarantors, or any indemnitor of a surety bond to provide their social security numbers or other taxpayer identification numbers. Failure to provide this information would affect your ability to obtain an SBA loan or bond. For other individuals signing this form, the submission of the social security number is voluntary and failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. However, your social security number or other taxpayer identification number helps SBA to distinguish you from other individuals with the same or similar name or other personal identifier. This use is permitted under Executive Order 9397.

Routine Uses: The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use for SBA's loan system of records for personal use of information is to assist in obtaining credit bureau reports on Disaster Loan Applicants and guarantors for purposes of originating, servicing, and liquidating Disaster loans. The information in this system is used on a routine basis exclusively by authorized officials. Personal information collected is protected to the extent permitted by law, including the Freedom Information Act, 5 U.S.C. 552, and the Privacy Act 5 U.S.C. 552a. While the records are routinely used only for the purpose for which they are established, additional uses may be made in accordance to SBA's Privacy Act System of Records: SBA 20 - Disaster Loans Case Files, SBA 21- Loan Systems, SBA 30 - Government Contracting and Business Development, and SBA 26 - Power of Attorney Files. The notice of each system of records can be found here: <https://www.sba.gov/sites/default/files/2020-01/sba-sorms.pdf>.

Right to Financial Privacy Act of 1978 (12 U.S.C. 3401) -- This is notice to you as required by the Right to Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guarantee. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government loan, loan guaranty agreement, or bond guarantee. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan or loan guaranty agreement, or bond agreement. No further notice to you of SBA's access rights is required during the term of any such agreement.

The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan or bond guarantee, or concerning an approved loan or loan guarantee, or approved bond guarantee, as necessary to process, service or foreclose on a loan or loan guarantee or collect on a defaulted loan or loan guarantee, or to process or service the bond guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Freedom of Information Act (5 U.S.C. 552)

This law provides, with some exceptions, that SBA must supply information contained in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics), and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms, and the maturity. With respect to SBA's bond guarantee program, SBA will release, among other things, statistics on the Surety Bond Guarantee (SBG) programs and other information such as the names of small businesses (and their officers, directors, stockholders or partners) and the amount of the bond guarantees. Proprietary data on a borrower would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA office and be identified as a Freedom of Information request.
